Queen And Her Court

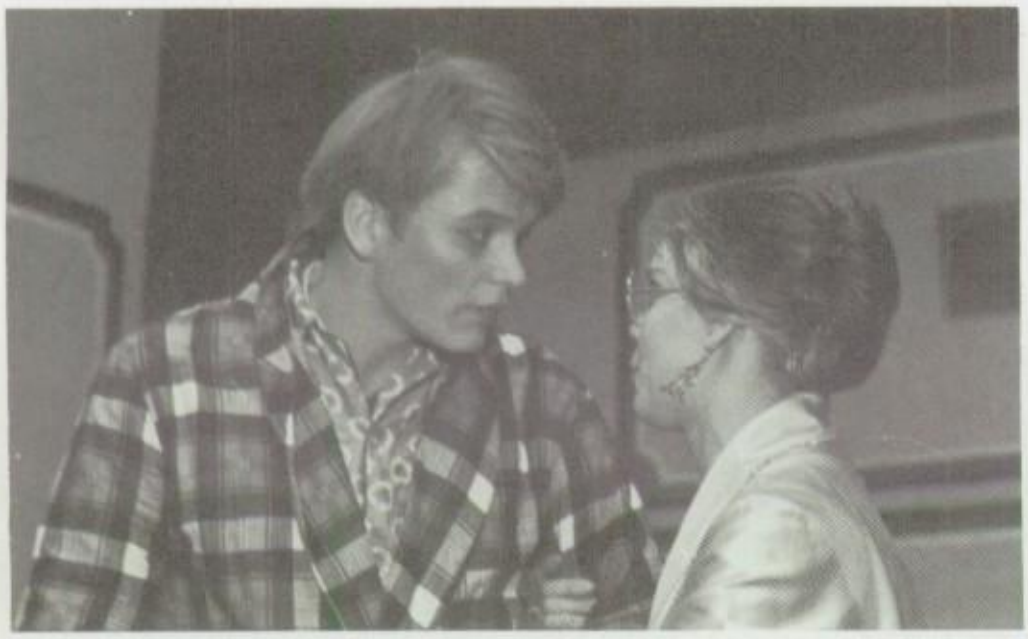
The Junior-Senior Class Play

This year, the classes presented Neil Simon's "God's Favorite", a comedy based on the story of Job. Comedy was a new idea for Daniel Boone's thespians, who are accustomed to performing serious dramas. "God's Favorite", was not one of Neil Simon's more successful plays on Broadway, although on DB's stage it came across beautifully. The cast put a lot of hard work into the play and also had a lot of fun doing it.

Here are a few scenes from "God's Favorite":

"Look Daddy, it's a pair of eyeglasses!"

"Here he comes!"



"Not the police!"

"You have no imagination!"

"And what was the message?"

"The Walls of Jericho"

"He's not nice, Joe!"

Go-o-o-o Betsy!

Football Cheerleading

As always, the football cheerleaders were spirited and supportive of the team throughout the season. Among their many activities were the annual pancake breakfast the morning of the Exeter game, spirit week, the usual signs, and bus decorations.

They always did a great job of keeping the spirit alive and would like to thank their advisor, Ms. Sethness.

"Are we together?"

That just isn't possible, Chris!

The 1977 Golf Team's League record was 9 wins and 1 loss. The team tied with Reading in the Eastern Division.

The team's record shows the work and dedication that was put into golf this past season, and all members must be commended for a fine job.

With only 2 members graduating, next year's team has a good chance at 1st place in the Eastern Division.

Mr. Robert Lacey coached this fine team to an overall season record of 12 wins and 4 losses.

Five of the six losses were by one goal, which proves the Blazerettes played well and lacked only that goal-scoring power.

Page and Lori . . . ready for anything.

A hungry team after a rough first half.

Pictured above is a very happy girls basketball team, the girls had just defeated Ephrata High School in overtime, in district playoffs.

This year the girls' basketball team, coached by Ruth Karper, entered district competition for the first time. The team won the first game against Ephrata, but was defeated by Reading Central Catholic and eliminated from the playoffs in the second game.

The team led in scoring by Page Lutz, won 12 and lost 7 games in regular season, which is a good record.

Graduating will be Peggy Pribish, Lori Haas and Jamie Wells. Losing only three seniors, next year's team should have an even better record.

Page Lutz . . . . up, up and away!

Get out of my way, Jamie!!!

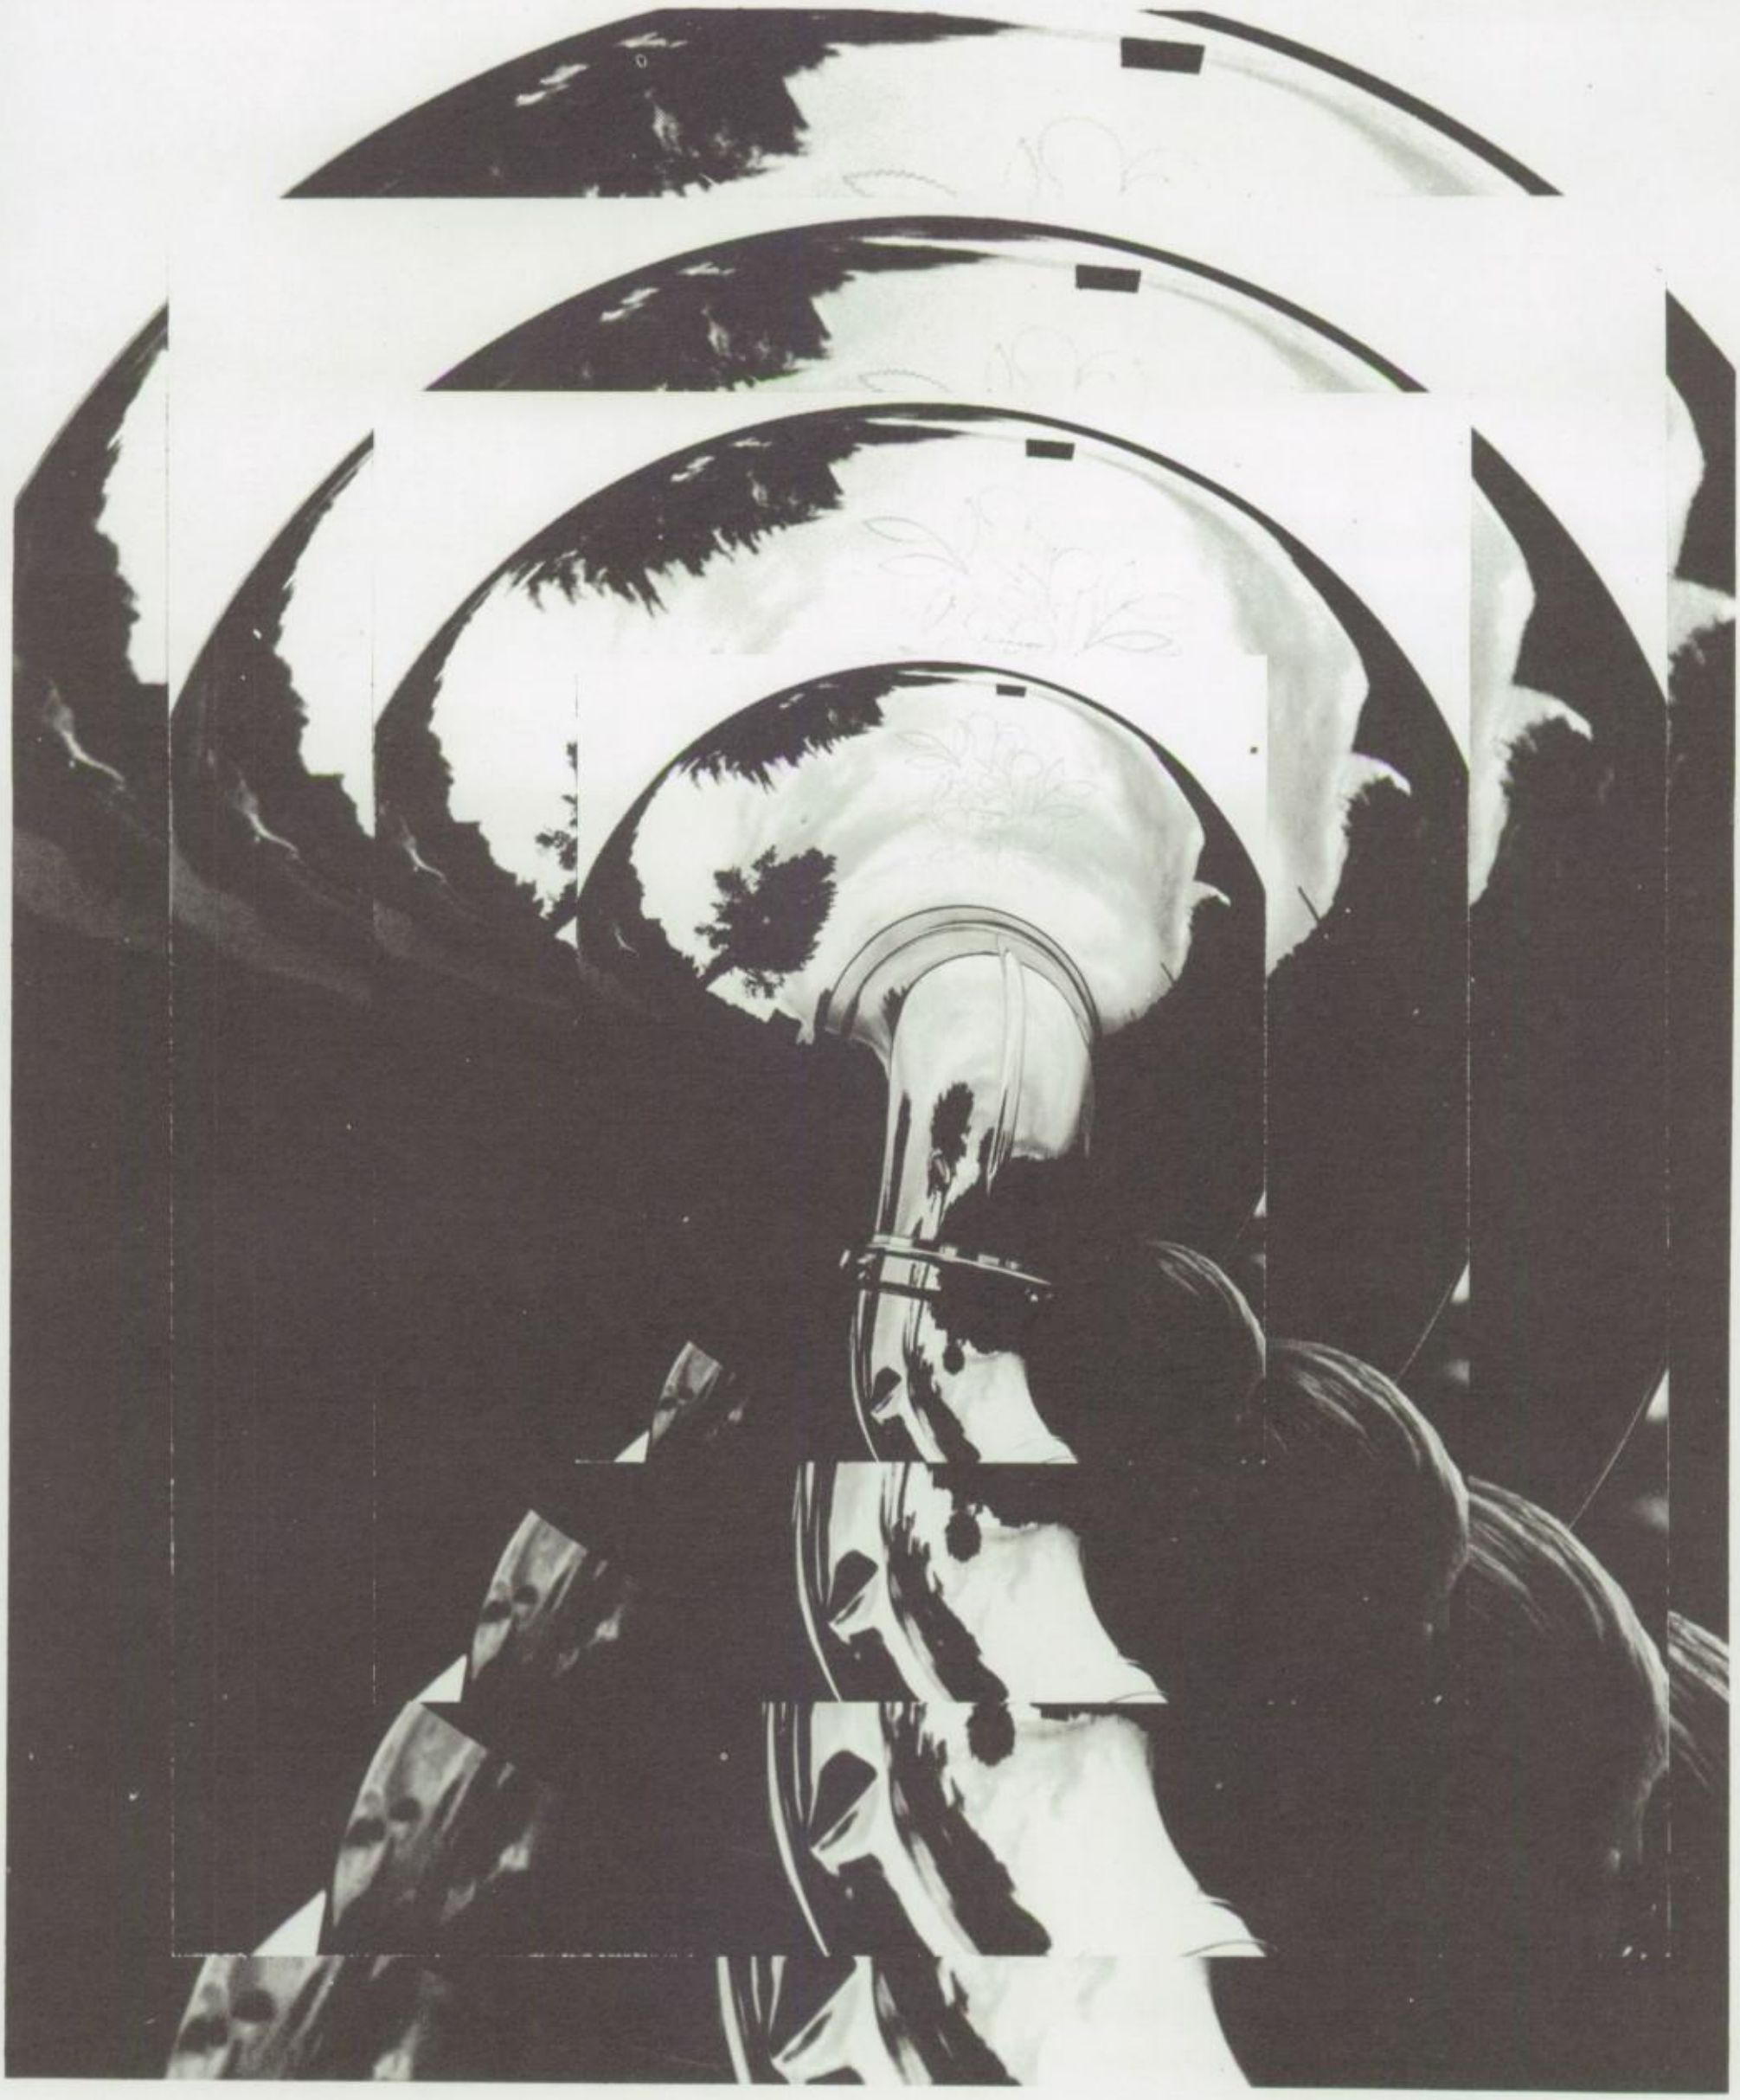
MUSIC



Daniel Boone Senior High Band And Front

Daniel Boone's Marching Band had a year of reorganization under its new band director, Mr. Scott Warfield.

The band traveled to a national competition at Hershey and a local competition at Woodrow Wilson in Levittown. Although the band didn't place in either of these events, it was a successful year and the members really enjoyed the season.

Mr. Warfield attended West Chester State College for his Bachelors degree and was graduated in 1975. He is doing his graduate studies at Ithaca College, for a Masters of Music.

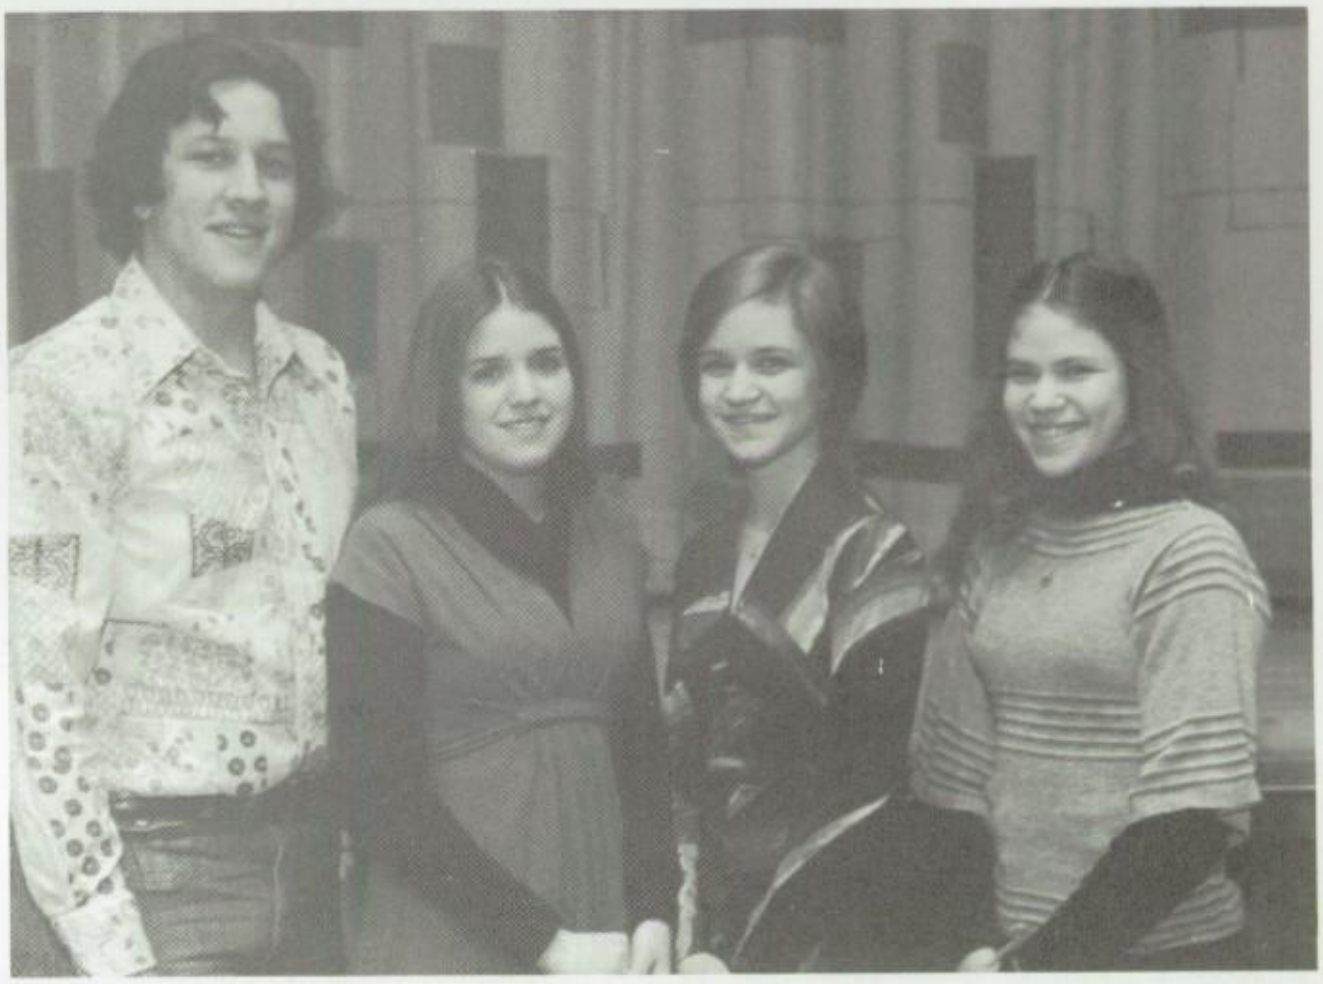
County, District, And Regional Chorus

COUNTY CHORUS: To get into organization you must audition, this year held at Gov. Mifflin. K. Bower, K. Rubrecht, W. DePrefontaine, J. DePrefontaine.



DISTRICT CHORUS: This chorus is harder to get into because more people are auditioning. The people who make it go to a host school on a Thursday, can come home Saturday, and perform 2 concerts. B. Prince, K. Rubrecht, W. DePrefontaine, J. DePrefontaine.

REGIONAL CHORUS: The highest organization to get into. It is very difficult to make because you must re-audition at district choir and be in the top 10 in a voicing. This year 3 students received the honor of making this chorus. J. DePrefontaine, B. Prince, K. Rubrecht.

County, District, And Regional Band

Auditions for county, district, and regional band are done the same way as chorus. You audition for county and districts at a specified school and audition for regionals at districts. For districts and regionals you go to a host school for a period of three days, during which you participate in two concerts and one assembly for the host school.

COUNTY BAND: D. Krieger, J. DePrefontaine.

In this way it is able to produce both a Junior High paper and a Senior High paper in a combined edition. Five issues, including the Senior Edition, are published each year. The editors are selected by the staff members and the advisor with duplicate staffs set up for both papers.
